Letter of Confirmation for IMC International Metalworking Companies Inc. and its Subsidiaries – Implementation of the EU Chemicals Regulation 1907/2006 (REACH) and Obligation to Register acc. to REACH

Dear Sir and Madam,

IMC International Metalworking Companies Inc., through its various subsidiaries, affiliated companies and their European representatives (collectively, the “**IMC Group**”) listed on the IMC website (<https://www.imc-companies.com/>), manufactures and/or imports the following into Europe:

	MSDS Name
1	Cemented carbide product with cobalt/nickel binder
2	Cemented carbide product with cobalt/nickel binder and CBN / PCD tips
3	Ceramic Products
4	Tool steel holders

These articles are without intended release of substances as to Art. 7 (1) REACH.

With respect to the information provided via Email 2016-05-08 and 2017-03-16 (REACH – IMC Substances 20160506 Rev.xlsx and IMC Companies – Importers for REACH Purposes (002).xlsx),

We confirm that

- IMC Group is in compliance with the registration duties imposed by the REACH Regulation,
- there are no substances manufactured or imported to Europe by the IMC Group that are subject to registration which have not been registered,

- registration of substances which are subject to registration was completed by the IMC Group within the required timeframe.
- According to the IMC Group available information the aforementioned products contain no substances which are of particular concern under Article 57, which are listed on the list of candidates [Art. 59 (10)] from the last update date of the candidate list and which lead to the duty to communicate information as to Art. 33 (1) REACH in connection with Annex XIV REACH regarding substances of very high concern (SVHC)

Thus, for the time being there is no further obligation to register as to Title II REACH.

Hereby we confirm that IMC Group implemented the EU-regulation REACH in order to fulfil its obligations.

This confirmation is valid for one year.
